

## Well-Respected Pediatric Dental Office, Growing Smiles, Opens Third Location in Havre de Grace, Serving Large Community of Children

Established more than fourteen years ago in Bel Air, Maryland, by Dr. Diana Capobianco, Growing Smiles is now opening its third location in Havre de Grace. With limited pediatric dental options for children in Harford and Cecil counties, Growing Smiles is receiving an incredible welcome by the community. “My dental career as a pediatric dentist started 18 years ago in Havre de Grace. I have such a fondness for the community, and I’m very excited to be back to serve the families of Harford and Cecil Counties. Coming to Havre de Grace is almost like coming home,” said Capobianco.

Dr. Todd Lyman, co-owner of Growing Smiles, said, “I love the small-town feel of Havre de Grace, and I’m excited to be a part of its growth. We’re excited to bring the best pediatric dental care closer to home for the children in Havre de Grace and surrounding Cecil County areas.”

“My kids have been patients at Growing Smiles in the Bel Air office for several years and actually look forward to dental visits. Over the years the staff have gently treated an anxious child, calmly worked with an uncooperative toddler, and most recently, patiently answered every question a very curious preschooler could throw at them. We are really looking forward to seeing our favorite dentists in the new Havre de Grace location,” said Geri Halsey, mother of four and Havre de Grace resident of 10 years.

At 6:30 PM on Friday, May 4, 2018, Growing Smiles will host a ribbon cutting ceremony in honor of their grand opening. This event will take place during Havre de Grace’s First Friday, drawing large crowds for family-friendly entertainment on closed, downtown streets. Special guests, Mayor Bill Martin and Major General Randy S. Taylor, are expected to participate in the ribbon cutting ceremony.

Growing Smiles Pediatric Dentistry provides dental care from infancy through the teenage years, as well as adults with special needs. Locations include Bel Air, White Marsh, and Havre de Grace. For more information, visit [www.growingsmiles.com](http://www.growingsmiles.com).
